RANGE burners often get a baptism of grease from the skillet. Burned to a crisp it means endless scraping and scouring to remove it. A better and easier way is to clean them with Giant Lye. It's a quick job and leaves the ourners clean and restores the blue flame. Skillets and pans can be quickly cleared of soot and encrusted grease in the same way. Then you know they're clean and scoured.

CHAIRMAN BOYD RETURNS, TO CAPITOL.

L. A. Boyd, chairman of the state board of convict supervisors, returned Monday from Boydville, Ga., where a terrific cyclone recently partial-54 ly wrecked his large lumber mill. He stated that the damige, though heavy, was not as extensive as he had expected: that repairs to the plant are already started and that when these are completed, operations will be immediately resumed.
